Re: National Grid Pole Petition #22975210 (121 Hinckley Street)

Donna:

I have reviewed DPW records and visited the site to view the proposed installation of pole #17-02 on Hinckley Street at #121. It is approximately 80 feet north of the intersection of Maplewood Terrace, on the east side of Hinckley street.

This proposed pole location is shown on page 7/13 of the Site Plan approved by the Planning Board, and that location should be held at 8 feet from the edge of the road, so as to maintain a >5' separation from an underground City Drain line located there.
